Members who intend to disqualify themselves from a vote on a particular petition due to direct or indirect financial interest shall notify the Planning Department staff of this fact a minimum of two business days prior to the hearing in order to provide staff and the Plan Commission President adequate

Intervening public rights-of-way shall not be considered in determining what property is adjacent and contiguous.
5. In order to determine the names and addresses of property owners to whom notice must be sent under this Rule, the Planning Department Staff shall consult the current Plat Book located in the Office of the Auditor of Monroe County, Indiana to determine the name of each adjacent property owner. The Planning Department Staff shall then consult the computer located in the Office of the Auditor to determine the most current mailing address for each adjacent property owner. A good faith effort shall be made to investigate and resolve any discrepancies or omissions in or among such records in order to determine name and address of the current owner of record.   - d. Except as provided in 6(c) above, proof that notice has been mailed in accordance with Paragraph 7 shall be sufficient proof of notice under these rules regardless of actual receipt. In situations addressed by 6(c) above, proof of notice shall be adequate if it is shown that the second attempt at notice was mailed (and left at the residence, where applicable) at least ten days prior to the final hearing. Such proof shall be by affidavits in substantially the same form as Paragraph 7(a), detailing the manner in which a new address was obtained

(where applicable) and the manner in which notice was sent and left at the residence (where applicable). Proof shall also include postmarked certified mail receipts and signed return receipts where used. Provided, however, the Plan Commission or Plat Committee may at its discretion continue a final hearing and require further attempts at notice to non-petitioning property owners whose property is included in the petition or proposal.

- e. Appearance at any hearing on a petition or proposal, in person or by representative, shall waive any defect in notice unless the alleged defect is raised at the beginning of the hearing.
7. Proof of notice shall be in the following form:

Said affidavit(s) shall also include the list of names and addresses thus obtained, keyed to a map showing the petitioned property and surrounding property; and, said affidavit(s) shall also show that notice in the required form was sent to the names and addresses on said list, the date upon which said notice was sent (which shall be not later than the second business day after the names and addresses were obtained in accordance with Paragraph 5 of this Rule), and the manner in which said notice was sent, which shall be in accordance with Paragraph (6) of this Rule. All affidavits shall be made upon personal knowledge. The affidavits required by this provision shall be filed with the Planning Department not later than 3 business days prior to the preliminary hearing.
  - b. Proof of compliance with these notice requirements shall also include the original receipts for certified mail stamped by the United States Post Office with the date of mailing, whenever these rules require that notice be sent by certified mail. Where the Planning Department staff is responsible for giving notice, the return receipts shall be placed in the file as they are received. Where any other person is responsible for giving notice under these rules, that person shall file the return receipts with the Planning Department at least three (3) business days prior to the preliminary hearing. Provided, however, signed receipts which are received by the person responsible for giving notice later than 3 days before the preliminary hearing shall be filed with the Planning Department as they are received but in no event later than 3 days before the final hearing. The minutes of the Commission shall indicate action taken and the reasons therefore and shall be furnished to any interested party upon request; provided, however, decisions upon applications for subdivision approval shall be in the form of written findings and decisions of the Plan Commission or Plat Committee. All decisions must be signed by the president and secretary of the Plan Commission, and a copy of any decision by the Plan Commission disapproving a preliminary subdivision plat must be provided to the applicant. All decisions of the Plat Committee shall be provided to interested parties, pursuant to Article II(G)(5) of these Rules and Procedures.

Article VI. Docket

- A. Each case to be publicly heard before the Commission or Plat Committee shall be filed in proper form, numbered serially, and placed on the docket of the Plan Commission or Plat Committee. The document numbers shall begin anew on January 1 of each year.
- B. No case shall be placed on the docket until the petitioner has consulted with a staff member who has determined that the petition has been presented in proper form with all the required exhibits and supporting documents.
- C. The staff may schedule the case for hearing before the Plan Commission or Plat Committee at its discretion, taking into account the magnitude of required review or coordination, or the desirability of modifying the petition, but subject to any time limits in these Rules, the Subdivision Control Ordinance, the Zoning Ordinance, or state law. **Prior to each regularly scheduled Plan Commission hearing, the staff shall determine the estimated time length for each petition. Where it is evident that discussion on petitions would likely occur after 9:00pm, the staff shall have the authority to limit such petitions and forward them to the next regularly scheduled meeting of the Commission. Furthermore, for petitions characterized by a high degree of complexity and public interest, staff and the Commission shall strongly consider skipping monthly meeting cycles in order to allow for more timely consideration of other petitions which have been filed.**
- D. The identification of docket numbers for both Plan Commission and Plat Committee cases shall be as follows:

Adoption of or amendment to a Master Plan .....	MP
Adoption of or amendment to a Zoning Ordinance.....	ZO
Approval of Plat or Replat .....	DP
Resolutions .....	RS

Article VII. Final Disposition of Petitions

- A. The final disposition of any petition shall be recorded in the minutes of the Commission or Plat Committee. Following a vote against a petition, the Commission or Plat Committee president shall restate the position of the Commission for the record.
- B. The Commission or Plat Committee may dismiss a case for lack of prosecution or lack of jurisdiction. When a petitioner or his representative has failed to appear at two consecutive meetings, the case may be dismissed for lack of prosecution at a subsequent meeting after notice to the petitioner.
- C. No petition may be withdrawn by the petitioner after a vote has been ordered by the presiding officer. No petition which has been withdrawn by the petitioner shall be placed on the docket again for hearing within a period of three months from the date of said scheduled meeting, except upon motion to permit redocketing, adopted by the affirmative vote of a majority of the members of the Commission or Plat Committee.
- D. No zoning petition which has been disapproved by the Commission and rejected by the Common Council, either by lack of action or by vote, shall again be placed on the docket for hearing within a period of one year from the date of the Commission's original disapproval. (I.C. 36-7-4-609)

Article VIII. Miscellaneous Provisions

- A. Every person appearing before the Commission or Plat Committee shall abide by the order and direction of the president. Discourtesy, disorderly or contemptuous conduct shall be regarded as a breach of the privileges of the Commission or Committee and shall be dealt with as the Commission or Committee directs.

- B. No case shall be continued at the request of the petitioner unless such request has been made to the planning department not later than noon, one week before the scheduled hearing, and the request has been noted on the agenda before it is distributed. If the petitioner requests that a case be continued prior to the above referenced deadline, the planning department, at its discretion, may act as agent for the Commission or Plat Committee and may approve such requests without formal Commission or Committee vote. Such staff approval shall be noted on the agenda. However, any request for continuance that occurs after the above-mentioned deadline requires a majority vote by the Commission or Committee. Similarly, if a petition is continued for three consecutive hearings, any further request for continuance, even within the above-referenced deadline, requires a majority vote by the Commission or Committee. If the Commission or Committee denies such a request for continuance, the petition shall be treated as denied on the merits unless the petitioner elects to formally withdraw the petition within 24 hours.
- C. Amendments to these rules of procedures may be made by the Commission at any regular or special meeting upon the affirmative vote of a majority of the members of the Commission.
- D. The suspension of any rules may be ordered at any Plan Commission meeting by a unanimous vote of those present.
